

In the Spotlight: **Exit Interviews**

We'll help you evaluate your turnover costs by conducting your Exit Interviews! A P•A•S representative will contact separating employees and perform an Exit Interview via telephone. We'll recap all obtained information and forward it to you assisting to protect your liability and evaluate areas that need addressing. You'll also receive a Quarterly Report recapping the data for your convenience. Let us gain valuable information for you that will improve future operations and reduce turnover.
