

# Ask yourself...

**HOW** do you lead?  
**WHO** will you follow?

**WE ARE ALL LEADERS.** In our **HOME**, in our **WORK** and in our **PLAY**, we lead by the way we *live*. We have more influence than we can imagine.

*So, what's the goal of leading anyway? How can you know if you're doing it right?*

No matter what kind of leader you are...

**Business Leader**

**Ministry Leader**

**Emerging Leader**

...you have the opportunity to serve and glorify God through your leadership. We'd like to help equip you to lead at the highest level...to glorify God.

We believe leadership is about influence! Anytime you influence the thinking, behavior, or development of another, you are taking on the role of a Leader.

*"It's a surprise to most people to think of Jesus as a model for Leadership Training. But, as you consider this "new" point of view, ask yourself: Can you think of any historic figure who has gotten more, better, and longer lasting results?"*
