Challenging Conversations

Communicating honestly with a focus on desired results can be tough at times – particularly when you need to deliver a difficult message, give performance feedback, or confront challenging behavior. It's especially hard to deal with anger, silence, or tension. However, navigating your way through these situations is what this session's all about. Join us to learn how to better handle these potentially difficult situations.

Registration may close 72 hours prior to a training session. Cancellations received up to 10 calendar days prior to the training session or beginning of the training series are refundable, less an administrative/materials fee. After that time, cancellations are subject to the registration fee.
