Giving Feedback the Blanchard Way

It happens to everyone. You try to give constructive feedback, but your comments are misconstrued and now someone is unhappy. In this session, participants learn to know when and how to give feedback, provide feedback that enables others to take responsibility for their own development, encourage or discourage behaviors that improve performance, and provide feedback to different employee development styles.

Registration may close 72 hours prior to a training session. Cancellations received up to 10 calendar days prior to the training session or beginning of the training series are refundable, less an administrative/materials fee. After that time, cancellations are subject to the registration fee.
